# Keep Andrew **TURNER** for the Island

Our Island is  
unique. We must  
improve the  
economy but  
without  
damaging the  
environment

## As the Island's MP I will keep working for you

- Together we kept vital services at St Mary's – I will keep fighting for essential Island services
- Crime is rising – Conservatives will deliver more police and better customs cover, and cut paperwork.
- Lib-Dems and Labour want higher taxes – Conservatives will cut waste and bureaucracy to spend more on schools, hospitals and police.
